

## **Fees Free Information**

Starting tertiary study or work-based learning for the first time? You may be able to get Fees Free after you **complete** your first eligible qualification or programme.

Fees Free covers the cost of your fees for the final year of study or final two years of work-based learning, up to \$12,000.

When you enrol, you will need to pay your fees. To help you cover this cost, you may wish to apply for a student loan. Find out more at [Student loan – StudyLink](#).

For more information on the eligibility requirements and when it is best to apply for Fees Free, visit [Fees Free – Inland Revenue](#).
